Customer interview notes - Cairnly pilot practices

Interview 4, office manager, 3-chair practice, Columbus:
"I order whatever the rep puts in front of me. I don't have time to compare prices."

Interview 9, practice owner, 5-chair practice, Ann Arbor:
"We ran out of composite twice this spring and had to reschedule patients."

Interview 15, office manager, 2-location practice:
"Our spreadsheet lives on one computer. When I was on vacation nobody ordered anything."

Pattern across 22 interviews: 17 of 22 practices buy from two or more distributors; none forecast usage from the schedule.
